

Mobile Banking Enrollment

Now, you can manage your money anytime, anywhere. With United Community's Mobile Banking, it's truly banking at your fingertips.

In order to take advantage of Mobile Banking, you must first enroll in Home Banking. Not registered for Home Banking? Learn more [here](#).

Getting Started:

- Download our app by searching "United Community Credit Union" at these app stores

- Open the UCCU app
- Type in your **Login ID & Password** (the same information used for Home Banking)
 - First time log in will prompt your security questions
- Accept all Terms & Conditions
- Start banking!

Inside the App:

Accounts

View your balance & transaction history for all accounts.

Transfers

Transfer funds from account to account.

More

Set up Instant Balance, view Terms & Conditions, and log out.

Did you know?

Instant Balance allows you to view your balances without logging in. To enable, tap "more" within the app – to access, tap Instant Balance on the login screen.
